Kirkland Celebrates

Sustainable September 2008

This year **Sustainable September 2008** program includes a wonderful opportunity to celebrate the increased awareness and results of environmental stewardship among businesses, educational institutions, municipalities and communities.

Kirkland is a **green** leader among Eastside cities and is ready to celebrate and we need **YOU**. On Wednesday, September 17th and in conjunction with the successful Wednesday Farmers Market, **Sustainable September** programming will include:

Don't miss out on this unique opportunity to network and connect with area businesses, services, educational institutions, consumers, visitors, and local leaders.

Shop, teach, and learn at our premier outdoor Eco-market showcasing green goods, eco-friendly services and community information and outreach.

Come learn what our local leaders are saying and doing about regional green initiatives

Have a green product or service to promote? Sponsor a booth at the Eco-market!

The evening will cap off with a rollicking Street Dance featuring live music.
